<p>1. We request that Frankfurt purchase 100 packages of Austria #2 (banned) cigarettes and prepare them for caching in a reasonable caching container (fill any empty space with "C" rations). Also prepare a survival kit containing mainly emergency type rations. We suggest a mixture of "C" rations along with some bars of more concentrated "cross country" type rations. This cache is especially tailored for GIMPASTE and is, of course, in addition to the caches discussed in reference.</p> <p>2. <u>Frankfurt</u>: Forward the above items prepared for burial to Vienna and also T/A the cost there. Vienna will in turn send these items to Salzburg through the usual ORCROCK channel.</p> <p style="text-align: center; font-size: 2em;">[]</p>
